**Warning: These prices are not encashment values. The price at which any Bond can be sold will be the prevailing price on the encashment date.**

**Warning: These prices do not necessarily reflect the performance of the Underlying Investment(s) within each Bond. These prices simply reflect the bid price of each Bond at the close of business on 31 October 2024.**

**Warning: Deductions for costs and charges are not made uniformly throughout the life of the product, but are loaded disproportionately onto the early period. If an investor sells the Bond prior to the end of the term, the practice of front-end loading will impact on the amount of money that the investor receives. The investor may not get back the full amount they invested.**

**Warning: The value of each Bond can go down as well as up.**
